

Cordless Belt Sander DBS180

High power BL motor
provides excellent
performance similar to
corded tool.

BL
MOTOR

Work efficiency as high as a corded tool

Sanding arm is angle adjustable to your needs.

0° -5°

-5° ↔ 90° [Stepless]

90°

Compact storage

160°

Anti-startup during storage

DBS180 is designed to minimize unexpected startup of the abrasive belt as long as the sanding arm is folded over 90°.

Connectable to vacuum cleaners

Movable LED job light

Variable speed control dial

provides versatility for use on both wood and steel materials.

Electric brake

minimizes down-time between sandings by quickly stopping the belt.
